

## Bristol Algorithms Days 11 - 12 May 2009

This event was supported by the EPSRC under the “Bridging the Gaps” initiative. To assist us in gauging the impact of the event, would you please complete this short questionnaire and leave it behind or return it to:

FAO: Jean Vogel-Gourgand  
Research and Enterprise Development  
Senate House  
Tyndall Avenue  
Clifton  
Bristol  
BS8 1TH

or  
Jean.Vogel-Gourgand@bristol.ac.uk / Fax: +44 (0)117 33 18093

**Please indicate the extent to which you agree with the following statements:**

**1. I found the format was conducive to networking.**       Strongly Agree       Agree       Disagree       Strongly Disagree

**2. Interdisciplinary working is a core aspect of my research.**       Strongly Agree       Agree       Disagree       Strongly Disagree

**3. This was a stimulating mix of people and discussions.**       Strongly Agree       Agree       Disagree       Strongly Disagree

**4. I liked the venue.**       Strongly Agree       Agree       Disagree       Strongly Disagree

**5. Did you attend BAD '07 or BAD '08.**       Yes       No

If yes, please specify whether there has been any impact on your research. For example, new collaborations you have maintained, adoption of a method/technique or pursuit of a new research objective, papers or grant applications that have been initiated or assisted (please continue over page).

Cont...

**6. How many new contacts did you make at BAD '09?**

**7. What were the most positive aspects of the workshop?**

**8. How could collaborative working have been better stimulated during this event?**

**9. The current funding for the BAD series of workshops has now terminated. Would you be happy to attend another similar algorithms event, if one could be organised in future years at Bristol?**
